DECORATIVE FABRIC FACED CEILING TILE *Design inspired colour palette*

To view the full range of 32 colours available visit www.autex.co.nz

Description

Colour Tone are a fabric faced plasterboard suspended ceiling tile designed to provide a decorative ceiling finish in a range of 32 design inspired colourways.

Ideal uses

Colour Tone is ideal for any area where a high end decorative ceiling finish is desired. Works well as an accent or border to traditional white suspended ceilings or use colour to define areas.

Product Integration

Match colour tone ceiling tiles to Autex Composition Acoustic Wallcovering fabric to provide a coordinated decorative enhancement between the ceiling and walls. Ideal for areas with acoustic wall treatments such as schools, libraries and child care. Colour Tone can also be used as the reflector element in the Sound Class 60 / 40 Acoustical Ceiling System.
